## CALLS FOR PROPOSALS

*Attraverso i programmi europei a gestione diretta, l'UE sostiene finanziariamente lo sviluppo di progetti che contribuiscono a realizzare gli obiettivi politici della Commissione per la programmazione 2021-2027. Tali programmi prevedono specifiche **call for proposals** pubblicate e gestite direttamente dalla Commissione europea e dalle sue Agenzie esecutive. Ciascun programma può prevedere regole di candidatura distinte e anche le modalità di gestione e rendicontazione delle attività realizzate e delle relative spese possono essere diverse.*

### European Partnership on Innovative SMEs / Innowwide call 2

The Innowwide programme helps innovative SMEs with the ambition to compete in new international markets by supporting market feasibility projects. A market feasibility project includes preliminary technical, market, legal and/or socioeconomic assessments intended to validate the feasibility of

international and innovative business solutions (product, process or service-market combination) within new and emerging global value chains. Call budget: 4.2 million euro to fund 70 projects. Each successful market feasibility project will receive a fixed grant of 60.000 euro.

**Funding programme:** Horizon Europe - European Partnership on the Innovative SMEs

**Call & Topic ID:** Innowide call 2 - 2023

**Deadline:** October 17<sup>th</sup> 2023

**Applicants:** Innovative SMEs, including young companies and start-ups from any sector

**Activity sectors:** multiple

**Partnership:** required (each market feasibility project must include at least an applicant SME and an independent subcontractor - local counterpart - in the target country).

### **Innovative Health Initiative (IHI) Joint Undertaking: 2023 calls for proposals**

In the framework of 2023 work programme, the Innovative Health Initiative (IHI) has launched two new calls for proposals:

- **IHI call 4** is a two-stage call with topics on the 3Rs, patient-centric blood sample collection, clinical trials, and the environmental impacts of healthcare. The maximum financial contribution from IHI JU for these topics is 83.350.000 €;
- **IHI call 5** is a single-stage call with topics on the 3Rs, theragnostic, stroke management and synthetic data. The maximum financial contribution from IHI JU for these topics is 115 million €.

**Funding programme:** Horizon Europe - Innovative Health Initiative (IHI) Joint Undertaking

**Call & Topic ID:** HORIZON-JU-IHI-2023-04-02-two-stage; HORIZON-JU-IHI-2023-05

**Deadline:** Call 4: 1<sup>st</sup> stage November 8<sup>th</sup> 2023 - 2<sup>nd</sup> stage April 23<sup>rd</sup> 2024 / Call 5: January 16<sup>th</sup> 2024

**Applicants:** legal entities established in EU Member States or HE associated countries

**Activity sector:** health

**Partnership:** required (at least 3 independent legal entities established in different EU Member States or Horizon Europe associated countries)

### **Horizon Europe: Financial support for Ecosystem Partners**

This coordination and support action aims to provide EIC awardees (including Seals of Excellence) with financial support to access services provided from ecosystem partners from Europe and beyond and meet their specific needs in terms of sectorial knowledge, networks, R&I infrastructure, access to markets or business development. The indicative budget of the call is EUR 4.5 million. Out of this amount approximately EUR 1.5 million will be allocated to services provided by EIT KICs. At least 75% (EUR 3.4 million) of the total budget to be funded by the EIC must be allocated to financial support to third parties (the EIC Awardees).

**Funding programme:** Horizon Europe – European Innovation Council

**Call & Topic ID:** Financial Support to access services from Ecosystem Partners (HORIZON-EIC-2023-PARTNERS-01)

**Deadline:** November 14<sup>th</sup> 2023

**Applicants:** legal entities from EU member states or HE associated countries; EIC Ecosystem Partners can include, for example, investors, business angels, mentors and coaches, innovation agencies, business associations, clusters, accelerators, incubators, technology transfer offices, etc.

**Activity sector:** business support

**Partnership:** not required (the project beneficiary can be a single legal entity or a consortium of legal entities)

**More info:** dedicated [infoday](#) on September 18<sup>th</sup> 2023

## **CASCADE FUNDING**

*Il supporto finanziario a parti terze o “cascade funding” è un meccanismo di finanziamento della Commissione europea attraverso cui il consorzio beneficiario è incaricato di distribuire sovvenzioni ad entità terze attraverso le cosiddette “open calls”. Accedere a una sovvenzione derivante da una open call consente di ricevere un finanziamento pubblico per eseguire specifiche attività di ricerca e innovazione (studi, esperimenti, azioni pilota) senza dover incorrere negli oneri burocratici delle tradizionali call for proposals. Nella presente sezione sono riportate anche le call pubblicate nell’ambito delle KICs (Knowledge and Innovation Communities) dello European Institute of Innovation and Technology (EIT).*

### **TrustChain 2nd Open Call**

The EU-funded project TrustChain launched its second open call “User Privacy and Data Governance” with 1.989 million € for applications focusing on trustworthy online platforms that preserve user’s data

privacy and provide strong data governance frameworks. Up to a maximum of 17 proposals will be funded.

**Deadline:** September 20<sup>th</sup> 2023

**Applicants:** developers, innovators, researchers, SMEs and entrepreneurs established in EU Member States or Horizon Europe associated countries

**Activity sectors:** data governance

**Partnership:** not required

### **XR2Learn 1st Open call**

XR2Learn project (Leveraging the European XR industry technologies to empower immersive learning and training) is seeking applicant(s) to propose the development of novel applications along with specifications that combine XR and educational/training use cases. With respect to the targeted sectors, a minimum of 70% will be dedicated to XR-application relevant to industry 5.0 technologies and relevant skills and a maximum of 30% will be allocated to sub-projects targeting other educational sectors (e.g. healthcare and medical, manufacturing, construction and engineering). Funding range for sub-project between 150.000€-300.000€.

**Deadline:** September 29<sup>th</sup> 2023

**Applicants:** SMEs/Mid-caps from EU Member States or HE associated countries; academic or training organizations may be included as potential user/early adopter

**Activity sector:** extended reality / training

**Partnership:** required (an application may be submitted by an individual SME or a small consortium of up to 3 members in total. Coordinator must be an SME)
