CALLS FOR PROPOSALS

Attraverso i programmi europei a gestione diretta, l'UE sostiene finanziariamente lo sviluppo di progetti che contribuiscono a realizzare gli obiettivi politici della Commissione per la programmazione 2021-2027. Tali programmi prevedono specifiche **call for proposals** pubblicate e gestite direttamente dalla Commissione europea e dalle sue Agenzie esecutive. Ciascun programma può prevedere regole di candidatura distinte e

anche le modalità di gestione e rendicontazione delle attività realizzate e delle relative spese possono essere diverse.

Horizon Europe: EIC Pathfinder Open

EIC Pathfinder Open supports early stage development of such future technologies (e.g. various activities at low Technology Readiness Levels 1-4), based on high-risk/high-gain science-towards-technology breakthrough research (including 'deep-tech'). This research must provide the foundations of the technology you are envisioning.

Funding programme: Horizon Europe – European Innovation Council

Call & Topic ID: EIC Pathfinder Open 2023 (HORIZON-EIC-2023-PATHFINDEROPEN-01)

Deadline: March 7th 2023

Applicants: legal entities (universities, research organisations, SMEs, start-ups, industrial partners or natural persons) established in different Member States or Associated Countries

Activity sector: R&D in all technology fields

Partnership: required

EIC Pathfinder: A Spanish Foundation is looking for companies with expertise in developing wound dressings for wound care, especially to avoid wound infection and/or to treat chronic, non-healing wounds.

European Partnership on Innovative SMEs (Eurostars 3) – Call 4 / April 2023

Eurostars is a funding instrument that supports innovative SMEs and project partners (large companies, universities, research organisations and other types of organisations) by funding international collaborative R&D and innovation projects. Participating organisations from 37 countries can access public funding for international collaborative R&D projects in all fields.

Funding programme: Horizon Europe through National funding bodies (MUR - MIMIT)

Call & Topic ID: European Partnership on Innovative SMEs

Deadline: April 13th 2023

Applicants: Innovative SMEs

Activity sector: R&D in all technology fields

Partnership: required (consortium should be led by SMEs and include entities from at least two participating countries, with at least one organisation coming from an EU or Horizon Europe Associated Country).

Eurostars partner search (Spain): Mobile optical access integrated on 5G/6G core networks as a beneficial alternative to radio access.

Promotion of EU Agricultural Products: 2023 Calls for Proposals

Further to the adoption of the 2023 promotion policy annual work programme, the European Commission launched two calls for proposals on the 'Information provision and promotion measures concerning agricultural products'. EUR 82,4 million are available to finance SIMPLE campaigns, whereas the EU's budget for MULTI campaigns is EUR 84 million. The selected promotion projects are expected to highlight and favour products complying with objectives such as: encouraging sustainable practices in EU agriculture; advancing animal welfare; promoting the consumption of fresh fruit and vegetables, and healthy as well as sustainable diets.

Funding programme: Promotion of EU Agricultural Products

Call & Topic ID: Promotion of agricultural products (AGRIP-MULTI-2023 - AGRIP-SIMPLE-2023)

Deadline: April 20th 2023

Applicants: legal entities (public or private bodies) established EU Member States

Activity sectors: promotion of agricultural products

Partnership: depending on the call (SIMPLE/MULTI)

CASCADE FUNDING

Il supporto finanziario a parti terze o "cascade funding" è un meccanismo di finanziamento della Commissione europea attraverso cui il consorzio beneficiario è incaricato di distribuire sovvenzioni ad entità terze attraverso le cosiddette "open calls". Accedere a una sovvenzione derivante da una open call consente di ricevere un finanziamento pubblico per eseguire specifiche attività di ricerca e innovazione (studi, esperimenti, azioni pilota) senza dover incorrere negli oneri burocratici delle tradizionali call for proposals. Nella presente sezione sono riportate anche le call pubblicate nell'ambito delle KICs (Knowledge and Innovation Communities) dello European Institute of Innovation and Technology (EIT).

NGI Assure 13th Open Call

The goal of NGI Assure is to support projects that design and engineer reusable building blocks for the Next Generation Internet as part of a complete, strong chain of assurances for all stakeholders regarding the source and integrity of identities, identifiers, data, cyberphysical systems, service components and processes. Financial contribution to third parties between 5.000 and 50.000 Euro.

Deadline: February 1st 2023

Applicants: SMEs / start-ups

Activity sector: blockchain technologies

Partnership: not required

EIT open call for sustainable energy solutions with EIT InnoEnergy

EIT InnoEnergy is looking for and support the most innovative ideas in sustainable energy from around the globe. The call is open to all start-ups and companies from Horizon Europe countries. Financial support: €60.000 or more per third party.

Deadline: Cut-off 1 - March 31st 2023

Applicants: SMEs/Startups established in EU Member States or Horizon Europe associated countries

Activity sector: sustainable energy

Partnership: not required

FORTHCOMING

Horizon Europe: New Approaches to Develop Enhanced Safety Materials for Gen 3 Li-Ion Batteries for Mobility Applications (Batt4EU Partnership) (RIA)

This topic aims at developing safer materials for high-performing cells by targeted modification in main cell components, namely the cathode, anode, separator and electrolyte. Solutions to common safety hazards have to be covered through a comprehensive design of new materials.

Funding programme: Horizon Europe – Cluster 5: Climate, Energy and Mobility

Call & Topic ID: Cross-sectoral solutions for the climate transition (HORIZON-CL5-2023-D2-02-02)

Planned opening date: May 4th 2023

Deadline: September 5th 2023

Applicants: legal entities (public or private bodies) established in EU Member States or associated countries

Activity sector: batteries

Partnership: required (at least 3 independent legal entities established in different EU Member States or Horizon Europe associated countries)

HORIZON-CL5-2023-D2-02-02: (Spain) A consortium search an electric vehicles (EVs) manufacturer company (cars, buses and trucks) to test batteries in their own produced EVs.
