CALLS FOR PROPOSALS

Attraverso i programmi europei a gestione diretta, l'UE sostiene finanziariamente lo sviluppo di progetti che contribuiscono a realizzare gli obiettivi politici della Commissione per la programmazione 21-27. Tali

programmi prevedono specifiche **call for proposals** pubblicate e gestite direttamente dalla Commissione europea e dalle sue Agenzie esecutive. Ciascun programma può prevedere regole di candidatura distinte e anche le modalità di gestione e rendicontazione delle attività realizzate e delle relative spese possono essere diverse.

Connecting Europe Facility: CEF 2 Energy - Projects of Common Interest 2022

The aim of the Connecting Europe Facility is to accelerate investment in the field of trans-European networks and to leverage funding from public and private sectors. This call covers the following topics:

- [CEF-E-2022-PCI-WORKS](#)
- [CEF-E-2022-PCI-STUDIES](#)

Both topics aim to enable PCIs to be implemented within the framework of the deployment of trans-European networks in the energy sector. In particular, the call shall contribute to supporting energy infrastructure Projects of Common Interest that have significant socio-economic benefits and ensure greater solidarity among Member States, but which do not receive adequate financing from the market. The available indicative call budget is €800 million.

Funding programme: Connecting Europe Facility

Call & Topic ID: CEF 2 Energy - Projects of Common Interest 2022 (CEF-E-2022-PCI)

Deadlines: September 1st 2022

Applicants: legal entities (public or private bodies) established in EU Member States or associated countries

Activity sector: energy

Partnership: not required

Horizon Europe: 2022 Soil Mission Call

The 2022 soil mission call for proposals seeks to advance soil literacy and societal appreciation for the vital functions of soil health across Europe. It aims to ensure that land managers, consumers and society at large are better informed and work together to take effective action on soil health. 10 topics are open for proposals, focused on the role of soil biodiversity, strategies for land decontamination and reuse. Topics also encompass how to better preserve and increase soil carbon and enhance soil relevant education and access to information.

Funding programme: Horizon Europe – EU Missions

Call & Topic ID: Research and Innovation actions to support the implementation of the Soil health and Food Mission (HORIZON-MISS-2022-SOIL-01)

Deadlines: September 27th 2022

Applicants: legal entities (public or private bodies) established in EU Member States or associated countries

Activity sector: soil health and biodiversity

Partnership: required (at least 3 independent legal entities established in different EU Member States or Horizon Europe associated countries)

CASCADE FUNDING

Il supporto finanziario a parti terze o “cascade funding” è un meccanismo di finanziamento della Commissione europea attraverso cui il consorzio beneficiario è incaricato di distribuire sovvenzioni ad entità terze attraverso le cosiddette “open calls”. Accedere a una sovvenzione derivante da una open call consente di ricevere un finanziamento pubblico per eseguire specifiche attività di ricerca e innovazione (studi, esperimenti, azioni pilota) senza dover incorrere negli oneri burocratici delle tradizionali call for proposals.

DIH-World – 2nd Open Call for innovative experiments

The DIH-World open call is designed to support digitalisation experiments involving DIHs and SMEs from the manufacturing sector. Innovative experiments will receive up to €95.000 to support the integration of digital technologies in the processes, products or services of an SME. The selected innovative technology experiments will be joining the DIH-World community, boosting the interaction and cross border cooperation among DIHs and SMEs, and also among DIHs from the European Network.

Deadline: June 28th 2022

Applicants: SMEs and Digital Innovation Hubs

Activity sector: textile, logistics, mobility, rubber and plastic products, electrical and optical equipment

Partnership: required (consortia should be formed of 1 SME and 1 Digital Innovation Hub)

PULSATE: 2nd Open Call for Technology Transfer Experiments for Innovative Laser-based Solutions (LBAAM)

PULSATE will select high potential Technology Transfer Experiments (TTEs) to accelerate the design, development and uptake of Laser Based Advanced & Additive Manufacturing (LBAAM) by European Industry, especially SMEs. The experiment is an end-user-relevant case study: a) Demonstrating the use of LBAAM and the benefits it brings to the value chain from the end-user to the LBAAM provider; b) Addressing SMEs business problems by using LBAAM.

Deadline: July 29th 2022

Applicants: SMEs

Activity sector: aerospace, automotive, electronics, industrial machineries, medical devices, textile

Partnership: required (consortia including minimum 2 SMEs and/or slightly bigger companies acting as Technology Provider and at least one Manufacturing Company as end user/adopter)
