CALLS FOR PROPOSALS

Attraverso i programmi europei a gestione diretta, l'UE sostiene finanziariamente lo sviluppo di progetti che contribuiscono a realizzare gli obiettivi politici della Commissione per la programmazione 2021-2027. Tali programmi prevedono specifiche **calls for proposals** pubblicate e gestite direttamente dalla Commissione europea e dalle sue Agenzie esecutive. Ciascun programma può prevedere regole di candidatura distinte e anche le modalità di gestione e rendicontazione delle attività realizzate e delle relative spese possono essere diverse.

CASCADE FUNDING

Il supporto finanziario a parti terze o “cascade funding” è un meccanismo di finanziamento della Commissione europea attraverso cui il consorzio beneficiario è incaricato di distribuire sovvenzioni ad entità terze attraverso le cosiddette “open calls”. Accedere a una sovvenzione derivante da una open call consente di ricevere un finanziamento pubblico per eseguire specifiche attività di ricerca e innovazione (studi, esperimenti, azioni pilota) senza dover incorrere negli oneri burocratici delle tradizionali calls for proposals.

GALACTICA Call for proposals

GALACTICA project launched its 1st Open Call for Proposals on 16th March 2021 with €1.2 million of funding available, to attract and support the best cross-sectoral projects in the fields of textile, aerospace and advancing manufacturing. Available funding up to €100.000 (“Orbital Projects”) or up to €20.000 (“Pioneer Projects”). More information regarding the Open Call for Proposals application, submission and evaluation criteria is provided on the following [Open Call guidelines](#).

Deadline: May 19th 2021

Applicants: SMEs and Startups

Activity sector: textile; aerospace; advanced manufacturing.

agROBOfood: 2nd Open Call for Innovation Experiments

agROBOfood builds upon its existing network and ecosystem and uses the mechanism of Open Calls to provide financial support to third parties, in order to accelerate network expansion, driven by the robotics community and the European agrifood sector.

Deadline: May 31st 2021

Applicants: SMEs

Activity sector: agrifood

TRINITY open call #2 for agile manufacturing

The second TRINITY open call offers SMEs the opportunity to get financial and technical support to test the solutions developed by the TRINITY partners or their own novel solutions to contribute to agile production in European SMEs and slightly bigger companies.

Deadline: June 1st 2021

Applicants: SMEs

Activity sector: multiple

FORTHCOMING

EIC Transition Open 2021

The EIC Transition Open aims at funding innovation activities that go beyond the experimental proof of principle in laboratory, by supporting both the maturation and validation of a novel technology, and the development of a business case and business model towards the innovation’s future commercialisation.

Funding programme: Horizon Europe - EIC Transition Open 2021

Planned opening date: May 19th 2021

Deadline: September 22nd 2021

Applicants: SMEs, research organisations

Activity sector: any field of technology or application

Partnership: Optional

EIC Transition Challenges 2021: Energy Harvesting and Storage Technologies

The proposals are expected to develop energy storage technologies or combined energy harvesting/storage technologies ready for investment and business development, with the perspective to capture specific systems integration opportunities.

Funding programme: Horizon Europe - EIC Transition Challenges 2021

Planned opening date: May 19th 2021

Deadline: September 22nd 2021

Applicants: SMEs, research organisations

Activity sector: Energy technologies

Partnership: Optional

EIC Transition Challenges 2021: Medical Technology and Devices: from Lab to Patient

Proposal submitted to this call can target any technology addressing important health needs in the direct clinical treatment and care of patients. A well thought-out and realistic exploitation path with emphasis on achieving market traction as proof of both clinical and market potential of the idea is needed.

Funding programme: Horizon Europe - EIC Transition Challenges 2021

Planned opening date: May 19th 2021

Deadline: September 22nd 2021
