CALLS FOR PROPOSALS

Attraverso i programmi europei a gestione diretta, l'UE sostiene finanziariamente lo sviluppo di progetti che contribuiscono a realizzare gli *obiettivi politici* della Commissione per la programmazione 2021-2027. Tali programmi prevedono specifiche **calls for proposals** pubblicate e gestite direttamente dalla Commissione

europea e dalle sue Agenzie esecutive. Ciascun programma può prevedere regole di candidatura distinte e anche le modalità di gestione e rendicontazione delle attività realizzate e delle relative spese possono essere diverse.

EIC Transition Open 2021

The EIC Transition Open aims at funding innovation activities that go beyond the experimental proof of principle in laboratory, by supporting both the maturation and validation of a novel technology, and the development of a business case and business model towards the innovation's future commercialisation.

Funding programme: Horizon Europe – European Innovation Council

Deadline: September 22nd 2021

Applicants: SMEs, research organisations

Activity sector: any field of technology or application

Partnership: optional

EIC Transition Challenges 2021: Energy Harvesting and Storage Technologies

The proposals are expected to develop energy storage technologies or combined energy harvesting/storage technologies ready for investment and business development, with the perspective to capture specific systems integration opportunities.

Funding programme: Horizon Europe - European Innovation Council

Deadline: September 22nd 2021

Applicants: SMEs, research organisations

Activity sector: Energy technologies

Partnership: optional

EIC Transition Challenges 2021: Medical Technology and Devices: from Lab to Patient

Proposal submitted to this call can target any technology addressing important health needs in the direct clinical treatment and care of patients. A well thought-out and realistic exploitation path with emphasis on achieving market traction as proof of both clinical and market potential of the idea is needed.

Funding programme: Horizon Europe - European Innovation Council

Deadline: September 22nd 2021

Applicants: SMEs, research organisations

Activity sector: Medical technologies and devices

Partnership: optional

EU Prize for Women Innovators

The prize is awarded to the most talented women entrepreneurs from across the EU and countries associated to Horizon Europe, who have founded a successful company and brought innovation to market. The prize is launched and managed by the European Innovation Council and SMEs Executive Agency.

Funding programme: Horizon Europe – European Innovation Council

Deadline: June 30th 2021

Applicants: women entrepreneurs

Activity sector: any field of technology or application

Partnership: not required

CASCADE FUNDING

Il supporto finanziario a parti terze o “cascade funding” è un meccanismo di finanziamento della Commissione europea attraverso cui il consorzio beneficiario è incaricato di distribuire sovvenzioni ad entità terze attraverso le cosiddette “open calls”. Accedere a una sovvenzione derivante da una open call consente di ricevere un finanziamento pubblico per eseguire specifiche attività di ricerca e innovazione (studi, esperimenti, azioni pilota) senza dover incorrere negli oneri burocratici delle tradizionali calls for proposals.

INTERFACE Open call

INTERFACE Open Call is looking for up to 7 Third Parties to develop and/or extend different infrastructures and state-of-the-art technologies of INTERFACE architecture and data management services to be implemented and validated by INTERFACE's pilots.

Deadline: June 30th 2021

Applicants: public or private bodies, research organisations, non-profit organisations, SMEs

Activity sector: renewable energy

Partnership: not required

ELISE 1st Open Call

ELISE is a network of artificial intelligence research hubs. Based on the highest level research, it spreads its knowledge and methods in academia, industry and society. ELISE will select 16 SMEs and startups that develop novel AI-based services or applications to address one of the ELISE focus areas.

Deadline: July 1st 2021

Applicants: SMEs (including startups)

Activity sector: artificial intelligence

Partnership: not required

FORTHCOMING

Enhancing synergies between the EIC and Startup Europe

The financed actions will act as a catalyst to fulfil the potential of European startups, in delivering market-ready applications and technology solutions that can contribute to the competitiveness and strategic autonomy of EU industry in key technology areas and value chains.

Funding programme: Horizon Europe - EIC (Coordination and Support Action)

Planned opening date: June 1st 2021

Deadline: September 22nd 2021

Applicants: Startup ecosystem builders, business angel organisations, venture capital entities, accelerators, incubators, startup associations

Activity sector: support services to startups

Partnership: optional

Partner searches for the forthcoming Horizon Europe calls for proposal

RDCY20210421001: Horizon Europe Cluster 5 Climate, Energy and Mobility - Looking for industrial demonstration partners interested in improving their energy efficiency and reducing their emissions with heat upgrade technologies

RDUK20210510001: Horizon Europe: Cyber-security partner sought for Civil Security cluster bid related to airport security

Leading the Digital Decade

Online, 1-2 giugno 2021

This two-day event is co-organised by the European Commission and the Portuguese Presidency of the Council of the European Union. The first day's debate will focus on the Communication 2030 Digital Compass: the European way for the Digital Decade. The second day will be dedicated to the launch of the Digital Europe Programme, the first financial instrument of the EU to specifically finance European projects on digital. Further details and registration are available [here](#).

Dissemination & Exploitation in Horizon Europe

Online, 9 giugno 2021

La Commissione europea organizza un webinar per illustrare le nuove regole per la Dissemination & Exploitation nelle proposte presentate in ambito Horizon Europe. Nel webinar verrà approfondita anche la gestione della proprietà intellettuale (IP) nei progetti collaborativi di Horizon Europe e saranno presentate le piattaforme Horizon Results e Horizon Results Booster, due servizi predisposti dalla CE per dare più visibilità ai risultati dei progetti finanziati. Per accedere al webinar non è richiesta la registrazione; il link al web streaming sarà disponibile a questo [link](#).
